An Attractive Kimono.

No. 2061.-There are so many times during the day when a comfort garment is indispensable to the busy American woman. It offers rest in its very freedom from restraint, while the graceful folds and draperies seem to heighten ease and shed a soothing atmosphere about the wearer. Nothing has been created which is so easily donned as the kimono, and this is a great factor in the success of a negligee. The kimono shown is more attractive than usual models, because of the shirrings
